

780Y

SD9000

1. This Service Manual is prepared for "N" version of SD 9000.
2. The parts not included in the Manual are for common use with those for "U" and "C" versions. Therefore, for such parts not included in the Manual, use the service manual (available under the Part No. 4280855010) for "U" and "C" versions of SD 9000.
3. The parts for "U" and "C" versions, listed in the Manual are:
 - (1) Those which have newly been added
 - (2) Those whose part numbers have been changed
 - (3) Different parts between "U" and "N" versions or between "C" and "N" versions
 - (4) Others
