Frame Ordering: Frame orders are placed for 12 months, with a delivery schedule for part deliveries over this period. The part delivery quantity must be equal to or exceed the minimum order quantities. Pricing will be given based on the frame order quantity.

Changing frame orders: A frame order can at any time be cancelled, based on that a new frame order is signed at a higher quantity level. The pricing will automatically follow the new frame order quantity.

Changing delivery schedule: The part delivery schedule can be changed, as long as it complies to the given frame order quantity within 12 months. However change in delivery within 12 weeks can not be guaranteed and is on request.

Lead time: Samples and small quantities can usually be ordered on short notice. Otherwise 12 weeks for the initial order.

Payment terms: 30% down payment on ordering, remaining 70% prepayment prior to shipping. Invoicing and payment in EUR is possible, but EUR price is determined by the EUR/USD exchange rate +2% at the time of ordering. Pascal reserves the right to change the EUR price in order confirmations if the EUR/USD exchange rate deviates more the 8% from EUR/USD exchange rate at the time of ordering. In case of price change on confirmed orders, the recipient can choose to cancel the order without penalty.
